

All kinds of people have all kinds of jobs. Draw a line to match the person to their job description.

I collect and organize books for you to read.

I study and gather data in the natural or physical sciences.

I make sure people follow our laws so you will stay safe.

I plan and design buildings.

I play an instrument and make music.

I create art for you to see and enjoy.

I bake and sell pies, cookies, and cakes.
