

Long Vowel Patterns

For a vowel to be “long” or “say its own name”, we look for these vowel patterns.

consonant-----vowel-----vowel

Example: boat

vowel-----consonant-----vowel

Example: cake

Read a book and find examples of words with these long vowel patterns. Write them under the correct pattern. The samples below were taken from the book **Billy Bob Flybottom**, by Susan Kite. If you'd like to buy this Tennessee tall tale, visit www.doodleandpeck.com.
