

Simple activities designed to help parents and/or caregivers participate in, and support, a child's literacy skills and educational goals:

- **Easiest:** Read the story together. Mix up a deck of number cards and help child place them in **counting order**.
- **More Difficult:** \*Write the numbers 1-10, and the number words one through ten, on a piece of paper and cut apart. Mix together. Work together to **match the number with its number word**.
- **Challenging:** Using cards with **number words** one through ten, mix them up then work together to place in numerical order.
