

Simple activities designed to help parents and/or caregivers participate in, and support, a child's literacy skills and educational goals:

- **Easiest:** Point out the **uppercase L** and **lowercase l** on the cover. Then read the story together and find more L Is throughout the book.
- **More Difficult:** Review the **days of the week** in the story. *Print a copy of the “days of the week” activity from our web site.
- **Challenging:** Discuss and list the things you **know** about chickens. Then do a bit of online research and add to your list the facts you **learned**.*
